Pizza twirler tells secrets

OUR STORY

Don's Pizzeria was established in November of '66. Don Ouellet was a bush worker who gave up his chainsaw to become a cook. Don's Pizzeria was first located on Algonquin Blvd. where the Timmins Police Station was, and then moved to Third Avenue for a few years. Don then relocated to 50 Rea Street South and ran the business from this location for 30 years.

He lived his life for the business, spending many long hours every day making his famous Thin and Crispy crust pizza. Over the years, the business expanded and now offers a full service restaurant menu. Don's original thin and crispy crust is still a favorite among so many! Don passed away on May 28, 2003 but his dream lives on.

Don's son, Andre, who has worked along side his dad for many years, carries on the family tradition of making great pizza, pastas and many more selections to come. For example; the big ass wings and the Pizza Poutine.
